

ESTILO SKIRTING BOARDS

2022

ESTILO. STYLISH AND SMART

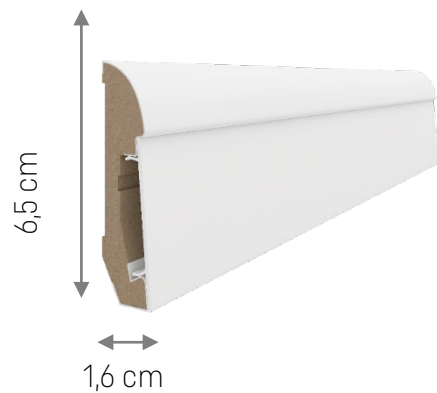

- Estilo skirting boards are available in 7 shapes
- Estilo may be installed by cutting it at the angle of 45° or a universal block may be used as an internal corner
- Estilo is a pure evidence that design means also practical solutions. Construction of Estilo allows to hide electrical cables and makes the skirting board stable.
- New accessories are available: end caps and universal block
- All Estilo skirting boards are 2,4 m long.

ESTILO ACCESSORIES

SELF ADHESIVE END CAPS

- To finish Estilo skirting board self adhesive end caps are used
- End caps are perfectly matched to height and shape of each model
- End caps are sold in sets:
1 set = 2 pcs =>
1 right end cap + 1 left end cap

ESTILO ACCESSORIES

UNIVERSAL BLOCK

- Universal block is an MDF accessory used as an internal/external corner or as a finishing element of a skirting board (instead of an end cap)
- Height of a block may be adjusted by cutting it.
- Block is glued to the MDF skirting board
