

EVERA SKIRTING BOARDS

2022

EVERA. THE CHOICE IS YOURS

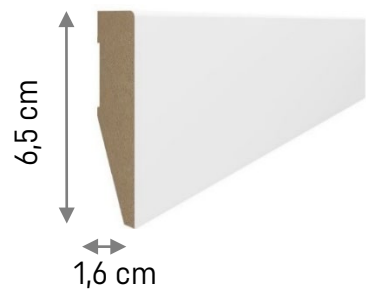

- Evera collection includes 12 shapes. Classic beauty or simply modern – everyone will find something that will satisfy their tastes.
- One of white shapes (EV101) is available also in 5 shades of grey.
- MDF product, Evera looks great thanks to a perfectly smooth surface.
- Evera is glued directly to the wall. Installation is fast and needs no professional tools.
- All Evera skirting boards are 2,4 m long

EVERA ACCESSORIES

SELF ADHESIVE END CAPS

- To finish the skirting board self adhesive end caps are used
- End caps are perfectly matched to height, shape and colour of each model
- End caps are sold in sets:
1 set = 2 pcs =>
1 right end cap + 1 left end cap

EVERA ACCESSORIES

UNIVERSAL BLOCK

- Universal block is an MDF accessory used as an internal/external corner or as a finishing element of a skirting board (instead of an end cap)
- Available colours: white and in shades of grey matching the skirting boards EV102, EV103, EV104, EV106, EV107
- Height of a block may be adjusted by cutting it.
- Block is glued to the MDF skirting board
