

MODERN WOOD

Modern Wood is available on:

- FS-302 Double board in length 6 m and 2,95 m CONNEX
Installation: horizontal / vertical
- FS-304 Fourfold board in length 6 m and 2,95 m CONNEX
Installation: horizontal / vertical

DESIGN

- What distinguishes Modern Wood is the shape, which are the modern version of a double board, which is well known and often chosen by our customers and fourfold board, a new shape in the offer.
- The shapes refer to wooden claddings but at the same time, retains the advantages of cellular cladding – resistance to water, impact and requires no maintenance.
- Both profiles allow you to create a façade with a flat surface, they can be installed vertically or horizontally and combine the shapes of double and fourfold boards.

DESIGN

- Modern Wood boards have matt finish and realistic wood embossing. Collection is offered in seven colours – from natural, warm tones, to different shades of grey.
- Modern Wood collection available for double boards (FS-302) and fourfold boards (FS-304).

SYSTEM CONNEX

CONNEX system - is a patented, innovative, connector-free method of butt-joining single boards FS-201 and FS-301, double boards FS-202 and FS-302 and fourfold board FS-304.

- ladding boards come in 2,95 m lengths,
- they have special built-in locks at each end, facilitating much quicker and easier installation,
- no additional connector elements are necessary,
- consequently, the butt-joints made with the CONNEX system are almost invisible on the wall surface.

CONNEX SYSTEM

FS-201

FS-301

CONNEX system is available for single boards FS-201, FS-301, double boards FS-202, FS-302 and fourfold boards FS-304.

In case of FS-301 the connection is visible on the wall surface, therefore, to obtain desired visual effect, boards connections need to be planned before installation
